14/12 The D.C Kolar points out that the term of the Malur Municipal Council may be extended upto the end of August 1944 by a few months after the expiry of the present period of its constitution to that it might begin functioning once for all as a Municipal Council

Under Sec 12 of the Mysore Municipalities Act 1933, it is permissible to extend the term of any municipal council to a term not exceeding in the aggregate 4 years In the circumstances of the case, the proposal of the D.C Kolar might be ordered to extend the present term of the Malur Municipal Council till the end of August 1944 may perhaps be approved

The terms of the present Council of the Malwa municipality will expire at the end of Feb/44

The period between 6/11/43 (the date of the preliminary notification) and the end of Feb 1944 is hardly four months

16/12 The determination the objections are called for to convert municipality expires on 6/1/43 immediately after receipt of a report from the Deputy Commissioner in regard to the receipt of any objections that may be preferred, it cannot be converted into a municipality it would at the utmost take about four months to constitute it as a municipality by preparing the electoral rolls. Hence it seems desirable to extend the terms of present Council till the end of June 1944 so that it can be converted into a municipality from 1/7/44

Representation of -

The President Vice-President
and the Councillors of the
Minor Municipality of
MALUR TOWN, (Kolar District)

Respected Sir,

While expressing our heartfelt gratitude for the proposal undertaken by the Benign Government to convert our hitherto Minor Municipality into a regular Town Municipality, we, belonging to the Personnel of the now Minor Municipality of Malur Town, Kolar District, most humbly and respectfully lay the following representation - for your most benign consideration and gracious compliance.

1 Now that Objections have been called for in the above matter of converting our Minor Municipality into a Town Municipality, (notifying the fact that our Malur Town Minor Municipality has been proposed to be converted into a Town Municipality under Section 5 (1) of the Mysore Town Municipalities Act, 1933 and as per Notification No L 4755/M1 120-43-6 dated 3-11-43 from the Law Secretary to Government), to be brought into effect soon, we beg to submit in this behalf, that the Elections for the present Constitution are fast approaching, to come off during the month of January, 1944 while, on the other side of things, i e , when the Reconstitution of our Municipality, as now proposed

proposed, if it were to come to pass has to take effect from the 1st of March next, when there becomes a necessity for another Election to follow soon after the January Elections for the Minor Municipality, thus entailing in its wake two Elections in quick succession in which case there will be unnecessary expenditure, pains etc to be undergone not only by the Municipality but also by all the persons and candidates concerned In our humble opinion the efore we beg to suggest that, while there is a larger Constitution not very long from the expected expiry of the smaller (Minor) one, (both these coming in quick succession, and the larger one bearing in its very nature a significance of a greater and higher importance,) the Elections pertaining to the Minor Municipality will become not only unnecessary but redundant It may conveniently merge in the larger interests of the Elections pertaining to the Town Municipality which, in the nature of things prevailing, is sure to come into effect, since there cannot be any opposition therefor worth the - name particularly as one and all concerned in the natural evolution of these and suchlike Constitutions, old order of things yielding place to new on palpably better grounds, will most likely ~~to~~ co-operate with the Government rather than oppose

2 As the humble members forming the Personnel of the Municipal Council of our Malur Town, interested in its welfare and growing prosperity under the Auspices of t h e Benign Government, we pray that Your Goodself may be graciously pleased to postpone the coming Elections pertaining to the existing (Minor) Municipality, to be held during the month of January next, and merge the same in the Elections which are sure to come off in March 1944, and thus help to ward off the otherwise accruing unnecessary expense, hardship, etc , that will follow in ~~the wake~~ the wake of the ~~Exex~~ Minor

Minor Municipality Elections, and thereby enlist the lasting grotitude of one and all concerned

Begging to be pardoned for this rather lengthy representation and thus intruding upon your precious time,

We beg to remain,

Respected Sir,

Your most obedient servants,

Subject - Extension of the term of the Minor Municipal Council, Polar

Sir,

I have the honour to state that the present term of the existing Council of the Polar Minor Municipality expires by the end of the February 44 and that the Council has to be reconstituted from the 1st March 44 unless the term is extended. The question of converting this municipality into a Town Municipality is under the consideration of Government and objections if any under Sec 5(1) of the Town Municipality Act have been called for by Government in their notification No L 4755 M 1 120-43-6 dated 6-11-43. No objections has so far been received from the Public and it will take some time for finally converting the Municipality into a Town Municipality. As the General Elections will have to be held after the settlement of this question, it is necessary to extend the period of the existing Council till the end of August 1944.

In these circumstances I recommend that the term of the present Council may kindly be extended by six months under Sec 12 of the Minor Municipality Act.

I have the honour to be,
Sir,
Your most obedient servant,
